

Terms and condition for usage

Max Healthcare Foundation is committed to protecting your privacy. It is important to us that the users accessing our website retain their privacy while taking advantage of the services that we have to offer. To this end, we adhere to the following basic principles:

We employ the highest levels of security to keep your personal information strictly confidential.

We will not disclose or transmit any of your personal information, including your name, address, age, sex to any third party without your permission.

Although we use cookie technology to help users navigate our site efficiently we never use cookies to store personal information, such as credit card numbers. Please be aware, however, that our site may contain links to other sites and that the privacy practices of other sites may differ from those of Max HealthCare Foundation. If you have any additional questions or concerns regarding our privacy policies, please email us at communications@maxhealthcare.com and we'll respond within 24 hours.

Our Privacy Policy explains:

- What information we collect from you
- How we use that information

Your privacy is of utmost importance to us. If you have any questions you can reach out to us at communications@maxhealthcare.com

Information we collect

We collect information to provide better services to you, and we may send this information to third party tools to improve our services, and to personalise your browsing experience.

We collect information in the following ways:

- Information you give us: Name, father's name, age, sex, mobile/phone number, email ID, place of residence/address, educational qualifications including name of institute/college, employment status along with name of employer or any other relevant information as may be required for submission of applications, requests, declarations, nominations or filling up of any survey.
- Information we automatically collect:
 - Device & Hardware information - We collect device-specific information such as device make & model, network information, advertiser ID (to uniquely identify your device) and email address, if available
 - Location information - We automatically capture your public IP address, and your geo coordinates << for android apps, if the location permission is available, lat/long is automatically collected>>

How we use the information we collect:

We may use this data and send it to third party tools for analytics so that we can improve the browsing experience to proceed with submission of applications, requests, declarations, nomination forms or any survey's hosted on the Max HealthCare Foundation website.
