

## **Terms & Conditions for Max Medical Scholarship Programme**

1. Student registration must be consented and approved by a legal parent or guardian, as applicable.
2. The Max Medical Scholarship Programme will be governed by the rules & procedures formulated by Max Healthcare Foundation(MHF) team.
3. Decisions on process, final selection of applicants taken by the MHF team will be final and binding.
4. Any changes in the entire process, eligibility criteria, number of students of the Programme are at the sole discretion of the MHF team and can be revised anytime without prior notice.
5. The application criteria require all selected applicants to submit three mandatory documents namely their Class XII marksheet & certificate, NEET certificate with rank and Family Income Certificate. Max Healthcare Foundation team may at its discretion ask an applicant to submit additional documents, on case-to-case basis, to satisfy the eligibility criteria.
6. The applicant at the time of submitting application shall declare and undertake that information and documents being submitted by it are true and Max Healthcare Foundation shall be entitled to reject the application and take any other appropriate action on discovering any incorrect submission by the applicant.
7. The grant of scholarship will not confer any right in favour of the applicant and the grant shall be solely governed by rules, procedures and criteria as per discretion of Max Healthcare Foundation which shall be final and binding.
8. MHIL reserves the right to change, modify, add, or remove portions of the terms at any time at its discretion without prior notice. Please check the terms and any guidelines periodically for changes.
9. Applicants are required to read and accept the Terms and Conditions before submission of application, for their application to be considered
